## KIDS' MENU

All kids' pizzas are approximately **18cm in diameter** and are cooked in our wood-fired ovens. All items on this menu are served in smaller portions to our regular size.

### AMENITIES & FACILITIES

To help make dining at GPK a memorable experience for families, we provide the following amenities and facilities for children: high chairs, baby change facilities, colouring-in material & "play" dough.

### ACCOMPANYING ADULTS

The safety and well-being of children whilst they are dining in our restaurants is one of our primary concerns.

In order to provide a safe environment for children, other customers and our staff, we must insist that accompanying adults ensure children remain seated and under direct supervision at all times.

We endeavour to provide an atmosphere that caters to all generations and ask accompanying adults to ensure the behaviour of children does not adversely impact the enjoyment of our other customers.
